

English

This half term we will be exploring the story "One Snowy Night" by Nick Butterworth. We will spend time writing about and discussing the different characters and also retelling the story. This half term we will also explore winter poetry and complete non fiction writing about polar animals!

Phonics

In our phonics sessions, we will continue to learn new sounds and apply this learning to our reading. We will be developing our fluency in reading.

Geography

In our Geography learning we will take on the role of a Geographer! We will contrast cold places and discuss their similarities and differences.

Welcome to Spring Term 1!

Happy New Year! We are excited to welcome you all back to a busy half-term! This term our theme is:

What makes cold places cold?

PE will be taught on Mondays. Please ensure children have PE kits in school.

Science

In our science learning we will be exploring the season of winter. We will contrast it with autumn. We will go on a winter walk and observe the different signs of winter. From this learning, we will complete our own weather charts.

SPRING 1

Maths

In maths, our EYFS children will explore different ways of making numbers 6-10. They will also explore length, weight, height and capacity.

The Year 1 children will focus on place value within 20 and also move on to addition and subtraction within 20.

Understanding the World/Topic

In our Topic sessions, we will be learning all about Chinese New Year and understanding how people celebrate the festival. We will create our lanterns.

We will also be creating our wax-resist artwork, inspired by winter.
