We Deliver Success

27th September 2023

Dear Parent/Carer

At West Derby School we strive to help all students achieve the best possible grades.

To help students to understand what they need to do for the coming year, Senior Leaders will be conducting progress interviews with every Year 11 student. The aim is to ensure that your son understands what grade he is at in each of his subjects and what he needs to do over the coming months to achieve his target grade. We are also keen to understand what we can do further to boost his progress. Please check in with your son about these meetings.

You will also have had a message via the Reach More Parents app (formerly known as WEDUC), telling you about our upcoming Year 11 GCSE Information meeting. This takes place on Thursday 5th October from 3.30pm to 4.30pm. All students should attend with their parents. You will hear from Mr Warwick, the Pupil Progress Leader for Year 11; Mrs Wilkinson, the Curriculum Deputy Headteacher; and the Directors of Maths, English and Sixth Form. It is a very informative and worthwhile event and we encourage you all to attend.

Thank you for your ongoing support. We look forward to seeing you on Thursday 5th October.

Kind regards

Mrs S Wilkinson
Deputy Headteacher
