I have been a Governor in Newham since May 2019 when I was elected as co-opted governor due to my particular skill set. I am Deputy Head of a large primary school in Tower Hamlets where I attend my own school's governing board meetings. I have been a teacher for 17 years and a deputy for 6. My role allows me to bring knowledge of assessment, teaching and learning and the curriculum to the federation. I also work for the East London Teaching School Hub and UCL on their NPQ programmes, both co-ordinating and facilitating.

I have 2 young children of my own who attend school in Redbridge so I have a knowledge of how things are done in schools in differing boroughs and can share good practice as a result. I hope to bring knowledge and experience to the federation in order to challenge and support its leadership and bring about continued improvement.
