

English:

Our English work will be inspired by D Day. We will be using the animation short: The Piano by Aidan Gibbons. The children will be using the work produced from this unit to show what they have learnt about creating impact on the reader through vocabulary and grammar choices.

Mathematics:

Year 6: Year 6 children will begin their 'Passport to Year 7' which will focus on building a range of maths skills in preparation for Key Stage 3. They will also be working on teams to design, plan, budget and present their Theme Park. There will be certificates awarded for the park that makes the most profit!
Year 5: Year 5 will be consolidating methods and applying this to problem solving ahead of Year 6. We will have a focus on methods and securing known facts.

Physical Education (PE):

Indoor PE is
Dance
Outdoor PE is
swimming

Science: Our science focus for this half term is: **Sound**

We will be gaining an understanding of the how the ear works and how we hear. The children will also be conducting experiments to make sound visible and to change sound.

Our enquiry question is:

'What was the significance of D Day and how did it impact life since 1945?'

Computing:

Computing will be combined with art to create a digital art piece in the style of David Hockney.

Design Technology:

This half term, we are studying food and technology.

We will be preparing a war time lunch using WW2 recipes and thinking about what ingredients were available during rationing.

Personal Social and Health Education (PSHE):

In PSHE sessions this half term we will be focusing on SRE. There will be a WEDUC sent out to detail what this will cover.

History:

Through our enquiry this term, we will be developing children's understanding of what happened in the time leading up to D day, D day itself and how this changed the course of history. Our D day focus links to the 80th commemoration and will give us the opportunity to attend a memorial event, listen to first hand accounts and draw conclusions about this turning point in history.

Religious Education (RE):

Our golden thread theme that we will be learning and exploring this half term is: 'ritual' We will be learning about Ramadan, Wudu and Eid.

Music

Musical Spotlight: Battle of the Bands!
Children will create a fun and confident performance with their choice of music and songs.
