

# RE at Belvoirdale

To explore what people believe and the difference this makes to how we live, so that pupils can gain the knowledge, understanding and skills needed to handle questions raised by religion and belief, reflecting on their own ideas and ways of living. Developing a sense of self and tolerance and compassion for others.

*We are all special*

*Special places*  
*We all belong*

*Special stories*  
*We all respect*

*We are all valued*

*We are curious learners*

<i>Compare and discuss the 'big' questions.</i>	<i>Question ideas and make links to own feelings.</i>	<i>Responsibilities to local community and wider world.</i>
		
<b>RELIGIOUS EDUCATION</b>		
		
<i>Encounter a range of religions and beliefs.</i>	<i>Understand and respect freedom of choice.</i>	<i>Build a sense of identity, empathy and compassion.</i>

Children need to:  
*think deeply,*  
*discover themselves*  
and  
*respect others.*
