7Y	Mrs L Williams	LW

**Our check list is to make sure you are fully equipped for your first day.**

Is your uniform correct?

Plain black shoes?

Do you have a bag?

Do you have the right equipment?

---

### What To Expect

-  You will have an assembly to meet the Year 7 team.
-  You will meet and greet your new form tutor and also be given some important information such as your new timetable and expectations for the days and weeks ahead.
-  You will have a tour of the building and be given a pocket size map to help find your way around school. Remember there will be plenty of teachers and peer mentors on hand to help you find your class rooms and key areas.
-  If you are the only boy from your school, please don't worry as there will be many others in the same situation. Your form tutor/peer mentors will make sure you are not on your own. Members of the same form always look after each other.

---

### Parents

If you are accompanying him on the first day, please leave your son by the entrance to the school. Please do not come into school with him unless you wish to discuss any medication that needs to be taken during the school day.

Please put this medication in an envelope labelled with his name and the correct dosage he is to be given.

**Finally, don't worry, we'll take good care of him.**
