

BLEAN PRIMARY SCHOOL

IMAGE CONSENT FORM

At Blean Primary School, we take photographs and film pupils as part of our core activity of education. During your child's time at Blean Primary School this occurs as part of normal teaching, learning, assessment and safeguarding procedures and as such we do not need your permission for these activities.

However, we do seek your permission to take photographs of your child and use them in the ways described below. Please consider carefully the ramification of not granting permission before you decide. We really value using photos your child to showcase what they do in school and demonstrate what school life is like to other stakeholders and the wider community. Furthermore, it is hugely beneficial to be able to identify children with educational, dietary or medical needs to all staff, to safeguard and ensure their well-being.

Please note: this form is valid for the period of time your child is on roll at Blean Primary School. Where the consent is given for a specific reason e.g. a trip, medical condition etc. once this need ends the image will be destroyed by shredding.

If you wish to make any changes, please email the school office at office@blean.kent.sch.uk or call the school on 01227 471254, and we will supply you with a new form. If you have any questions, please contact the school office.
