RE NEU Strike Action on Wednesday 1st February

Dear parents/carers

Following on from my letter earlier in the week. I can confirm that for the majority of classes at Central Park Primary School they will need to stay at home on the strike day, as there will be no teacher in their class on that day.

We will send a notification home for those classes that are open on Wednesday. If you are not notified then your child will need to remain at home on Wednesday.

The strike is happening because of a national dispute between the unions and the government over teachers' pay, the lack of school funding, the current recruitment and retention crisis and the impact this is having now and the devastating impact that this will have in the future. It is not because of any issues at our school.

I'm sorry about the potential disruption to you and to your child's education. I understand that this situation may be frustrating, and ask that all members of our school community continue to treat each other with respect. Central Park Primary School remains committed to providing a safe and secure environment for our pupils and delivering high-quality teaching. If you have any questions, please liaise with any member of the Leadership Team.

Kind regards

Paul A J Taylor
