

OXLEY PRIMARY SCHOOL

HEDGEHOGS

English

In English, we will be concluding our novel study of Esio Trot by focusing on writing non-chronological reports about tortoises. We will also be writing letters which involve looking at features and model texts. To conclude our term, we will be studying performance poetry based on "The Dinosaur Rap" by John Foster.

In reading, we will continue to develop our reading stamina ahead of our move into Key Stage 2. We will be applying our reading skills to our end of year assessments.

PSHE

This term, our unit focus will be Relationships and Sex Education. This will be taught in separate year groups. In Year One children will be focusing on our bodies, naming different parts and thinking about hygiene. The focus in Year 2 is on family. We will also recap key vocabulary that we learned in Year 1.

Science

Our new unit for this final half of the term is 'Growing Up,' We will be learning about parents and their offspring and then exploring the life cycles of humans, mammals, amphibians and butterflies.

Welcome back!

What a year it's been! We can't believe we are in the final half term already! Here is our learning plan for the weeks ahead. If you have any questions, please speak to Mrs Palmer or Mrs May who will be happy to help.

PE days: Tuesday and Wednesday

Do please make sure PE kit is named and in school every day, as these days are subject to change.

Library Slot: Wednesday

Maths

This half term, we will be covering time, statistics and position and direction. For time in Year 2, children are expected to tell the time to o'clock, half past, quarter past and quarter to so please look out for clocks when you're out and about!

PE

For our final half term, we will be playing hockey. Using our skills from our previous units on ball skills, we will also develop tactics and our understanding of fair play.

SUMMER 2

Geography

Why don't penguins need to fly?

We will be continuing our unit of work looking at Antarctica, comparing it to the Sahara desert and the Arctic. We will also find out why penguins and polar bears live in different places.

RE

This half term we will be continuing to work on our learning question: Who is Jewish and how do they live? We will explore different Jewish customs and religious stories and discuss how people with a Jewish faith show their commitment to God.

DT/Art

We will firstly be finishing our unit of work on art and music. From there, we will be linking art and DT as we make free standing structures. We will also be doing some food technology work this term where we will plan and make our own sandwiches for a picnic.

Computing

This half term we begin to explore and understand that sequences of commands have an outcome. We will then use and modify designs to create our own quiz questions
