

TIGERS

English

In our English lessons, we will be focusing on the book, Greta and the Giants. This is linked to the climate and how we can look after the world. We will be doing some explanation text, debates and persuasive letters all based on the climate and how we need to look after the world we live in.

PE

This half term, we will focus on invasion games. We will begin by working with Leicester Tigers to improve our tag rugby skills and then move on to other invasion games. We will also be working on our tennis skills with Matt.

PSHE

In our PSHE lessons, we will be looking at how healthy eating, physical activity, sleep and the use of free time make up a healthy lifestyle. We will look at how the decision we take to keep ourselves healthy can affect us both physically and mentally.

Science

Our Science unit this term is 'Sound'. We will look at the structure of the ear and how sound waves work. We will also look at pitch and volume and conduct our own volume experiment.

Music

We will be learning about pitch which will link with our science lessons. We will investigate the range of sounds that different instruments make, finally leading to creating our own compositions to a Tom and Jerry clip!

Spring 1 in the Tigers!

We are really looking forward to another exciting half term in the Tiger's class!

Please get in touch if you have any questions. Mrs Spivey will be teaching Mon-Wed and Mrs Rhodes will take over on Thursday and Friday

**PE days: Until 1st February - Thursdays.
After 1st February - Tuesdays and Thursdays**

Library Slot: Friday

Maths

In Maths we will be continuing our work on multiplication and division by investigating the place value of multiplying and dividing by 10 and 100 then moving onto the methodology of column multiplication. We will continue learning our times tables to help us.

RE

In RE we will be answering the question 'How and why do people mark the significant events of life?' where we will learn about important milestones for people of differing religions including a Christian baptism, a Jewish Bar/Bat Mitzvah and the Hindu beliefs of reincarnation.

SPRING 1

Geography

We will be finishing off our work on sustainability by looking at how other countries are being sustainable.

Computing

We will be looking at online safety within Safer Internet Day with the theme of 'inspiring change.'

French

We will be learning all about vegetables and how to say what we need at the grocery shop.

Art

In Art, we are exploring patterns and making our repeating patterns using technology and by hand. We will look at artists who make all types of patterns including 3D patterns by Shaleen Ahmed and digital patterns by Andy Gilmore

History

History takes us all the way back to the departure of the Romans and the rise of the Anglo Saxons. We will look at how they lived, their adoption of religion and eventual demise.
