

English:

The texts we are reading and discussing this term are:-

'A Night at the Frost Fair' by Emma Carroll

'The Jaguar Trials' by Ruth Eastham

Our class reading book is: -

Kids Who Dare to be Different by Ben Brooks and To be a Cat by Matt Haig

Mathematics:

Our daily maths focus this half term is:

Two decimal place number bonds

Our maths sessions will focus on addition and subtraction through measures and problem solving and statistics

Physical Education (PE):

- Indoor PE is gymnastics
- Outdoor PE is orienteering

Science:

Our science focus for this half term is:

Scientific Skills and Review

This half term we will be using chromatography as part of an investigation and reviewing our work in Space and Light

Our enquiry question is:
'Why do we need to protect the world's rainforest?'

Art and Design Technology (DT):

We will be looking at work created by LS Lowry and focusing on his piece that depicted a Frost Fair. We will be learning about creating perspective and will be using Lowry's Frost Fair piece to inspire a new perspective.

Computing:

We will be completing our 'I draw' unit of work using sketch pad and will be reviewing E-safety

Geography:

Through our enquiry this term we will be developing children's:

- geographical knowledge of South America
- rainforest biomes
- understanding the nature of a fragile ecosystem
- understanding the impact of deforestation

Religious Education (RE):

Our golden thread theme that we will be learning and exploring this half term is: 'Communicate' through Muslim Traditions, and Christianity.

Personal Social and Health Education (PSHE):

In PSHE sessions this half term we will be learning about and discussing friendships.

Music:

Each week we will be listening and responding to a range of musical genres. The lessons also include composing and performing, reading music notation and understanding and using musical terms.
