1. ACTION ON DISCOVERING A FIRE

- Raise the alarm by breaking the glass at the nearest 'fire call' point.
- Do not attempt to put out a fire using the fire extinguishers. The priority is to evacuate the building.

2. ACTION WHEN THE FIRE ALARM SOUNDS

- The office staff will call the emergency services.
- All members of staff will take responsibility for the evacuation of the building in the following way:
 - Teachers to collect pupil list from fire bags in Classrooms.
 - If a Classroom has Walkie-Talkie this must be taken to the assembly point as a means of communication with the Fire Wardens (it is the Teachers responsibility to ensure the Walkie-Talkies are fully charged and on Channel 15.)
 - Keep pupils calm.
 - All pupils must be quiet and walk, not run, during the evacuation.
 - Pupils must be led quietly to the nearest exit indicated on the plan. Pupils should not stop to pick up bags or go to the cloakroom.
 - If possible, classroom doors should be closed.
 - Follow the 'Green Exit' signs, or use the nearest available exit.
 - The school assembles either on the Infant playground or at the Year 2 garden master point – see plan displayed in class/room as to which assembly point you should use.
 - Pupils line up in classes, in register order, with their class teacher.
 - Office staff carry out the registers.
 - Class teachers check the register and report to the Wardens on the playground as correct, or the names of missing pupils. All register calls need to be complete before a search is organised.
 - Class teachers check teaching assistants attached to their class are present and report to Fire Wardens.
 - Office staff check staff attendance and visitor attendance and report to Headteacher/Deputy Headteacher as correct or the names of any missing member of staff.
