

English

This term, we will be putting our skills and knowledge to the test with a variety of different genres: story writing, non-chronological reports and book reviews. We will be using animations as inspiration, showcasing a wealth of grammar knowledge that has been taught throughout the year.

Welcome Back!

What a busy term coming up! Not only do we have certain tests in Year 6 but we will have all of the usual Year 6 events, Enterprise, a trip and lots of writing!

Maths

Year 5 will be exploring fractions, decimals and percentages and their relationship with one another before moving on to shape, position and shape properties.

In Year 6, our children will be concentrating on putting all of their knowledge to the test by completing a variety of investigations and revision.

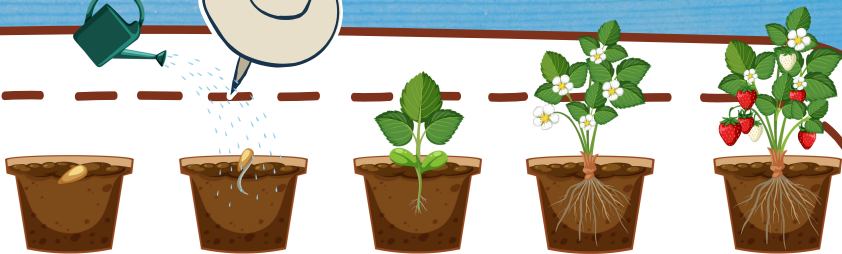

Years 5 & 6

Science

This term, we will be completing our work on mammals and life cycles before turning our attention to reversible and irreversible changes.

We will also look at plant reproduction and plastic pollution. Towards the end of the year, we will also have time to revise key concepts taught throughout the year.

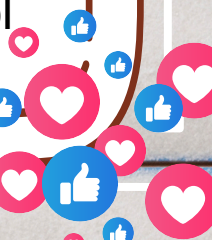

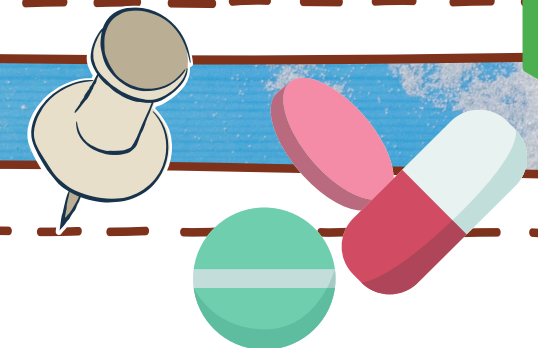

Computing <CODE/>

In computing, we will look at identifying a variable in an existing program and experiment with it to control the flow of a programme.

PSHE

We have a very busy last term in Years 5 & 6! In PSHE, the children will be looking at drugs and personal safety. We also have a trip to Warning Zone, Leicester planned to further help our children in understanding risk online. After half term, we will be moving onto RSE. This is taught in single year groups and more information will follow nearer the time. The RSE policy is available on our school website.

History and Geography

As we wrap up our favourite history topic: WW2, we find ourselves heading back to geography to learn about National Parks We will be exploring the question: Who are Britain's National Parks for?

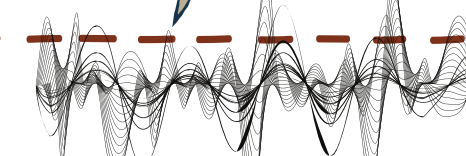

Art and DT

In art, we will be exploring city and landscapes using perspective drawing and studying artists such as Vanessa Gardiner and The Shoreditch Sketcher. In DT, we will be creating bunting for VE Day and moving on to construct monsoon housing!

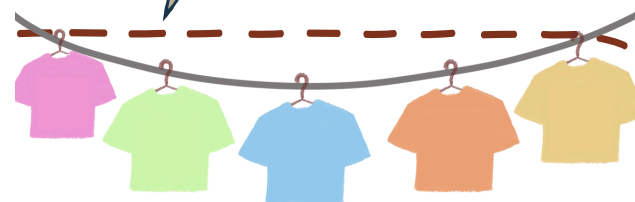

Music

This term we will: understand basic structure with a focus on contrasting pitches and melodies; use a variety of musical devices such as timbre, texture, dynamics and tempo changes when creating and making music; and play from standard pitch notation in the treble clef

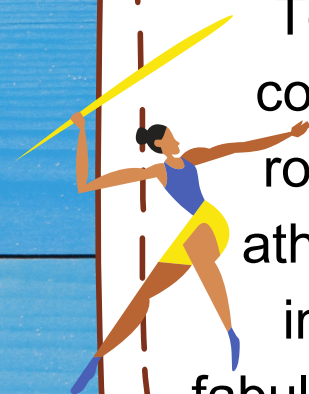

French

As we look to our final topics, we will explore how we describe our clothes before moving on to and describing school and subjects we like.

PE

To finish off the year, we will be concentrating on gymnastics and rounders before moving towards athletics and preparing for that all-important sports day which our fabulous House Captains will lead on!

**GET
READY**

RE

Our final two topics will focus on Hinduism and what matters most to Humanists and Christians. After visiting a Hindu temple last half term, we are excited to learn about Brahman and how Hindus believe this supreme being plays a part throughout their daily lives.
