

## Independent Learning(Homework)

Students are expected to complete all assignments set in full and on time.

All assignments are uploaded to Satchel:One.

If indicated students must complete assignments in the classwork book given to them by their teacher in each subject.

Parents/Carers can see when assignments are due in by checking on the Satchel:One app.

We run our timetable on a week 1 and week 2 basis. This means that students do not have the same lesson as the same time each week. So assignments may be set on a different day for one group compared to another. Individual teachers will make clear to students exactly which day of the week their assignment will be set.

Below you can see the frequency of Independent Learning that will be set and in some cases the day of the week.

| Subject                | How Often?         | When?  |
