

Art and Design at Belvoirdale

At Belvoirdale, every child is an artist. We support our children in expressing their imaginations and creativity in many different forms of art and design. Each sequence of lessons in a topic gives every individual the opportunity to explore the culture and history of art and design and to gain integral skills through reflection and discussion of their opinions. This in turn creates the curiosity needed to practise and develop an understanding of key skills and build confidence and resilience. At Belvoirdale, we provide an engaging curriculum and enjoy celebrating the success of our children through our sketchbooks and displays.

		Understand the impact on history and culture.			Every child is naturally an artist.	<p>Create creativity, ignite imagination, inspire inventiveness.</p> 
Explore a range of artists, media and techniques.	ART	DESIGN	Enjoy the freedom to be creative.		Stimulate imagination.
