

**Our curriculum provides our children with inspirational opportunities that are relevant and generate a lifelong love of learning. We teacher life skills and opportunities to enable our children to be successful now and in the future. It is culturally relevant, engaging and full of celebration and pride.**

## WHAT ARE WE LEARNING THIS TERM?

Welcome back,

The year 6 children have responded brilliantly to the behaviour policy and have settled back into the school life demonstrating the high expectations that we demand in school.

We will be learning about the Vikings this term; children will find out about significant events and how they helped shaped the nation we have become. Using the context of the Vikings, we will also develop geographical skills such as finding out about longitude and latitude. In art, we shall be learning about MC Escher and will develop skills associated with graphic art. French will be taught by our specialist Ms Adams; Mr Sutherland is teaching PE (tag rugby); online safety will be taught this term during computing and music will be taught in class.

How did the Vikings navigate?

Leif Erikson - Was he the first European to land in the Americas?

We will also have a visit from Thorgil (Viking) on 17th November and workshop for RE about life after death on 11th October. Finally many

Year 6 children are looking forward to their trip to France 17-19 October!

### Key facts we are learning this term:

Vikings originate from Norway, Denmark and Sweden, a group of countries which are known as Scandinavia.#

The word 'Viking' means pirate or raider.

The Viking era existed between 700 AD and 1100 AD.

The first major Viking raid happened in 793 AD at a monastery in Lindesfarne, North East England.

Danegeld was a tax paid to Viking raiders to stop them attacking.

The rule of law was known as Danelaw.

Vikings most famous mode of transport are the long ships.

Most Vikings came to England to settle, however some attacked and some fled their homelands.
