

## Kingsclere CE Primary School – Early Years Foundation Stage (EYFS)

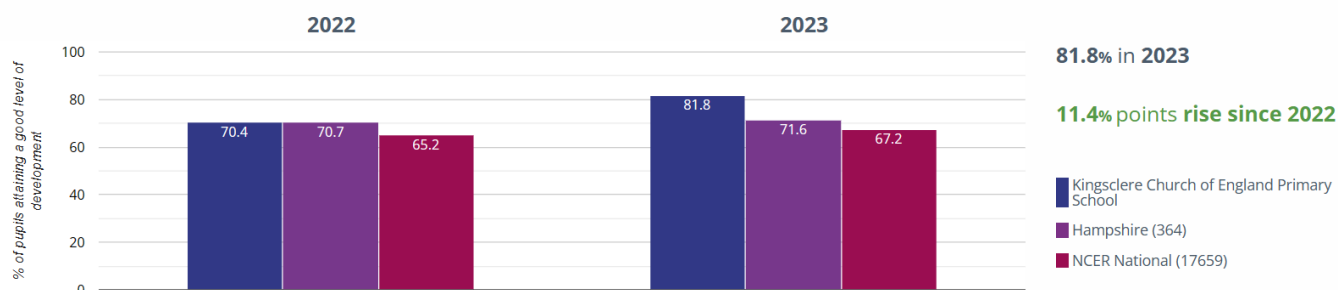

### Good Level of Development Results (GLD) 2023

In 2023, results for our Early Years Foundation Stage children showed that 82% achieved GLD (Good Level of Development) which is above national and Hampshire averages.

During the academic year 2022 – 2023, we also took part in an Early Years Foundation Stage Profile Moderation through Hampshire County Council. The moderation confirmed that the Early Learning Goal judgements made by the school were accurate and in line with national standards as set out in the Early Years Foundation Stage Profile handbook.

Our school improvement plan for this academic year is to continue to build on the good practice in Early Years provision raising the attainment of all pupils and deepening children’s learning experiences.

#### ★ Good Level Of Development

The table below shows the Early Years Foundation Stage Good Level of Development results at Kingsclere CE Primary School for 2019, 2022 and 2023:

	School	Hampshire	National
2023	82%	72%	68%
2022	70%	71%	65%
2019	80%	77%	72%

Note: There is no GLD data from 2020 and 2021 due to Covid-19.
