**Personal, Social and Emotional Development:** This term we will be learning about how we can be 'resourceful'. In our PSHE JIGSAW lessons, we will be focussing on the relationships that we have within our own families and responsibilities we may have within our households. The children will also explore how to be a good friend.

**Communication and Language:** We will be continuing to focus on our speaking and listening skills, speaking in small groups to share ideas and remembering to take turns to speak and listen.

**Literacy:** We will be reading non-fiction books, covering a range of occupations and writing fact files too. Stories we will share include "Mog the Vet" and "Zog and the Flying Doctors". Our role play scenarios will inspire us to write for a purpose, e.g. creating missing posters and medical notes.

**Mathematics:** We will continue our daily 'Mastery Number' lessons where our focus will be on 'Comparing numbers'. In our other Maths lessons, we will be working with numbers beyond 10, addition, taking away and spatial reasoning.

### **Physical Development:**

This term, we will be using our bodies and coloured streamers to move and make shapes in a sequence. The song "True Colours" by Anna Kendrick and Justin Timberlake will inspire us to move with control and rhythm.

### **Spanish:**

We will continue our weekly lessons with Mr Burns, learning new ways to greet our friends and basic communication phrases. The children will also explore colours and counting to ten.

### **Expressive Arts and Design:**

This term, we will be making a range of vehicles, such as police cars, fire engines, ambulances and more, using junk modelling resources. We will also be making props for our imaginative occupation role play.

### **Understanding the World:**

This term, we will be exploring occupations within our society. We will dive into some occupations, such as vets and learn pet facts. We will also be exploring the following question in RE - why are people special?
