

English:

The texts we are reading and discussing this term are:

The Iron Man Book by Ted Hughes

We will be looking at writing in a variety of different forms including narrative and non-fiction.

Science:

Our science focus for this half term will be on digestion. We will be building on previous knowledge of animal diets and looking at how teeth have adapted. Additionally, we will learn about organs and the process of digesting food.

French:

We will be learning the vocabulary for items school stationery and putting this into sentences.

Art

Our Art focus is sculpture.

We will be exploring turning 2D shapes into 3D shapes using a variety of folding and joining techniques.

Maths:

In Maths we will be continuing to look at measure (length and height). We will be converting between measures as well as using different scales.

We will then review multiplications up to 12x12 and apply this knowledge to worded questions and formal methods.

Our enquiry question is:

What was the impact of the railway and why did it diminish?

History:

Our enquiry focus for the Summer Term is History lead. We will explore the timeline of the Railway and look into key inventors during the era and the impact they had.

RE

The theme that we will be learning and exploring this half term is: Community linked to places of worship.

PE

Indoor: Badminton

Outdoor: Athletics

Computing

In computing we will be looking at data processing and how we can change layouts for different purposes.

PSHE:

In PSHE sessions this half term we will be looking at sun safety and safe relationships both online and in person.

Music:

Our music unit for this half term is called: How does music shape our way of life?
